

# PROCESS INSTRUMENTS

Unicren holds stock of range of mechanical instrumentation products to support different industries. Our customised solutions are built from durable and special material options.

UNIQUE • INNOVATIVE • CREATIVE • ENGINEERING

## RANGE OF PRODUCTS INCLUDE:

Pressure Gauges

Diaphragm Seals

Vortex Flowmeters

Pipeline strainers

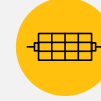

Pressure Transmitters

Magnetic Flow meters

Level Indicators

Inline Flame Arrester

Temperature Gauges

Ultrasonic Flowmeters

Level Switches

Sight Flow Indicators

Temperature Transmitter

Orifice Plate & Assembly

Rotameters
